- FLASH PULSE (9 HOURS)
- SOLID ON HIGH (5 HOURS)

 RAIN PROOF DESIGN

 MAGNETIC BACK

 VISIBLE UP TO ONE MILE

 BATTERIES INCLUDED

 CRUSH RESISTANT

The HELP light can be used in addition to road flares. The HELP light uses high intensity LED's that run cool and have a life span of over 100,000 hours.

The HELP light can be attached to any metal surface using the magnet on the back of the housing. There is also a folding hook on the back that can be opened up and used to hang the light, or it also can function as a prop to set the light on the ground.
