

CLA40405

Arkon Car Charger with Type-C Port Qualcomm Quick Charge Port and 2 USB Ports for Phone Tablet Retail Black

**DESCRIPTION:**

Arkon's CLA40405 is the ideal charger for your car. It features four ports: two USB ports, one USB-C Port, and a Qualcomm Quick Charge 3.0 Port. It is ideal for charging up to four devices in your car simultaneously, such as mobile phones, smartphones (including iPhone and Samsung Galaxy devices), tablets (including iPad, iPad Air, and iPad Pro), laptops, MP3 players, portable battery packs, digital cameras, mini speakers, and many other USB-powered gadgets (charging cables not included). The charger plugs into your lighter socket or accessory outlet, and with four ports, everyone in the car can charge their devices.

**FEATURES:**

- Charges up to four powered devices simultaneously
- Includes USB, USB-C, and Qualcomm Quick Charge ports
- Input voltage 12V-24V
- Output voltage Max 5V 10A
- Compact design with color LED power indicator
