

FLBKTXL

Arkon RoadVise XL Forklift Pillar Phone and Midsize Tablet Mount Retail Black

DESCRIPTION:

FLBKTXL is a phone mount specifically designed for use on a forklift, pallet jack, or other warehouse vehicle. Consisting of two steel plates with black powdercoat finish and accompanying mounting hardware, FLBKTXL is made with heavy gauge steel construction to last in tough environments, such as construction sites, factories, and warehouses. This mount also includes a 3.75" Robust Mount Shaft with double ball adjustment points and a RoadVise XL Phone and Midsize Tablet Holder. Its solid construction provides strength and reliability by securely gripping devices with cases weighing up to 2 pounds and measuring up to 5" wide, including phones such as Apple iPhone X, iPhone 8 and 8 plus, iPhone 7 and 7 Plus, iPhone 6S and 6S Plus, iPhone 6 and 6 Plus, Samsung Galaxy S8, S7, S6, and S5, Galaxy Note 8 and Note 5, and LG G6, G5, and G4. It also holds 7-8 inch screen size tablets measuring up to 5 inches wide, including the Galaxy Tab 4 7.0 and 8.0, Galaxy Tab 3 7.0 and 8.0, Galaxy Tab E 8.0, Galaxy Tab S 8.4, and Nexus 7. The RoadVise XL Holder features a spring-loaded mechanism that expands to hold devices up to 5" wide. Arkon recommends using the RoadVise XL Holder with devices with skins and ruggedized cases. Each of the mount's steel plates weighs just under half a pound and measures 4" x 2.75" x 1/8". Holes are pre-drilled into the plates so installation is quick and easy.

FEATURES:

- Phone or tablet mount for forklift, pallet jack, or other warehouse vehicle
- Includes RoadVise XL spring-loaded universal phone and midsize tablet holder
- Easy installation with pre-drilled holes
- 2 year limited warranty
