Arkon Windshield or Dash Phone Car Holder Mount for iPhone X 8 7 6S Plus 8 7 6S Galaxy Note
Retail Black

DESCRIPTION:

The SM479 sticky suction car phone holder mount holds large smartphones up to 3.25" wide, including iPhone X, iPhone 8 and 8 Plus, iPhone 7 and 7 Plus, iPhone 6S and 6S Plus, iPhone 6 and 6 Plus, Samsung Galaxy Note 8, Note 5, and Note 4, Galaxy S8, S7, and S6, LG G6, G5, and G4, Nexus 6, HTC One M9, One M8, and One Max, Nokia Lumia 1020 and 1520, Motorola Moto G, and Moto X. This mount includes Arkon's Mega Grip push-button universal phone holder and a sticky suction windshield or dash car mount with one-touch lever. The phone holder is ideal for car dashboards, windshields, and other flat or slightly textured surfaces. The sticky suction base uses a powerful combination of polyurethane gel and suction to provide a maximum surface bond. To restore the suction, just rinse the pad with a mild liquid soap and warm water then air dry. In order to prevent indentation marks on soft vinyl, leather, or similar dashboard surfaces, Arkon recommends using the included 3M adhesive mounting disk. The arm of the suction mount adjusts vertically and provides 360° rotation, providing flexibility in viewing the device from any angle. The phone is held securely in place with the spring-loaded holder, and can be inserted or removed from the mount with one hand. The universal design of the phone holder accommodates any smartphone having up to 3.25" width with no height restrictions, making it compatible even when used with a large protective case or skin. Moreover, it doesn't block the phone's camera when secured in the holder. The phone holder's unique side-grip technology provides a strong grip that's easy to use. Just set your phone in the holder and close the arms to lock in place. A one-touch push of the holder's side button releases the phone.
