

SM67622MM

Arkon Windshield Suction Smartphone and Midsize Tablet Mount with Extension Arm Retail Black

DESCRIPTION:

The SM67622MM windshield suction car mount with extension arm fits smartphones up to 8" screen size, including Apple iPhone X, iPhone 8 and 8 Plus, iPhone 7 and 7 Plus, iPhone 6S and 6S Plus, iPhone 6 and 6 Plus, Samsung Galaxy Note Edge, Note 8, Note 5, and Note 4, Samsung Galaxy S8, S7 edge, S7, S6 edge+, and S6 edge, Nokia Lumia 1520 and 1020, LG G6, G5, and G4, Nexus 6 and Nexus 5, Motorola Moto G and Moto X. It also fits midsize tablets, including the Galaxy Tab S 8.4, Galaxy Tab Pro 8.4, Galaxy Tab 3 7.0 and 8.0, Galaxy Note 8.0, iPad mini, and Nexus 7. This mount package includes Arkon's 80mm Windshield Suction Mount with one-touch lever and patented Slim-Grip Ultra universal smartphone and midsize tablet holder. The mount's arm extends from 5 inches out to 7 inches to provide extra reach on deep windshields or other mounting areas. The arm of the suction mount adjusts vertically 180 degrees and also provides 360 degree rotation, providing flexibility in viewing the device from any angle. The phone or tablet is held securely in place with the mount's spring-loaded holder. The top and bottom adjustable-leg design of the Slim-Grip Ultra holder helps keep any side buttons and ports unobstructed, making it ideal for use with the side accessible buttons on the Samsung Galaxy S7 edge, Galaxy S6 edge+, and Note Edge. Included with the holder are 8 support legs (4 short and 4 longer versions) that can be customized based on the size of your device. For most smartphones, the ideal mount holder configuration is to attach 2 short support legs on top and the 2 long support legs on the bottom of the holder.
