

TAB088G17

Seat Rail or Floor Tablet Mount with 15 inch Arm for iPad Pro iPad Air 2 iPad 4 3 2 Galaxy Note 10.1

DESCRIPTION:

The TAB088G17 seat rail or floor tablet mount for cars and trucks can be used with tablets 7 to 18.4 inches in screen size, including Apple iPad Pro, iPad Air 2 and iPad Air, iPad 4, 3, and 2, Samsung Galaxy View, Galaxy Note 10.1, Galaxy Note Pro 12.2, Galaxy Tab 4 10.1, Galaxy Tab Pro 10.1, Galaxy Tab Pro 12.2, Galaxy Tab S 10.5, Nexus 10 and Nexus 9, LG G Pad 10.1, Sony Xperia Tablet Z4 and Tablet Z. This mount includes Arkon's Slim-Grip Universal Tablet Holder and a seat rail or floor mount with 15" flexible aluminum gooseneck. The Slim-Grip tablet holder fits tablets 7 to 18.4 inches in screen size and features a spring-loaded design that makes it easy to insert or remove the tablet by pushing down on the lower legs of the holder. Included with the holder are 10 support legs (4 short, 2 medium and 4 long versions). Choose the 4 legs that provide the best fit for your tablet. These insert at the top and bottom of the holder and can be adjusted to keep any side buttons and ports unobstructed. For most tablets, the best mount holder configuration is to attach 2 short support legs on top and the 2 long support legs on the bottom of the holder. For smaller tablets, use all 4 short support legs on the holder. For larger tablets including iPad Pro, use all 4 long legs. For vertical viewing, adjust the 360-degree swivel. The aluminum car seat rail or floor mount is ideal for those who prefer mounting their tablet somewhere other than the windshield or dash. Use a socket wrench to install the mount to the car's seat rail. Loosen the passenger seat track bolt, insert the included seat track bolt bracket, and then retighten the bolt. Bend the 15" gooseneck for exact positioning of the tablet. Optional floor brackets are included for screwing the mount directly into the floor of the vehicle. (Warning: Drilling into the vehicle's floor may damage the vehicle. Use caution and consult a mobile install professional to avoid drilling into any sensitive vehicle components.)

FEATURES:

- Seat rail mount ideal for fleets and service vehicles and trucks
- Mount features a 15 inch gooseneck
- Slim Grip Holder fits tablets 7 to 18.4 inches in screen size
- Swivel ball provides ultimate flexibility in viewing tablet
