Arkon Center Extension Car Headrest Tablet Mount for Apple iPad Pro iPad Air 2 iPad 4 3 2  
Retail Black

### DESCRIPTION:

TAB3-RSHM is a high-quality universal car seat headrest tablet mount that easily attaches to your car or truck's front or back seat headrest posts. This mount is compatible with large (7"-18.4" screen size) tablets, including Apple iPad Pro, iPad Air 2 and iPad Air, iPad 4, 3, and 2, Samsung Galaxy View, Galaxy Note 10.1, Galaxy Note Pro 12.2, Galaxy Tab 4 10.1, Galaxy Tab Pro 10.1, Galaxy Tab Pro 12.2, Galaxy Tab S 10.5, Google Pixel C, Nexus 10, and Nexus 9, LG G Pad 10.1, Sony Xperia Tablet Z4 and Tablet Z. Arkon's deluxe headrest tablet mount is a road trip essential. This mount is ideal for tablet viewing by multiple back seat passengers. This mount includes Arkon's Slim-Grip Universal Tablet Holder and 2-Post Car Seat Headrest Pedestal. It features an adjustable-length rigid extension arm that positions the tablet between the two seats. The mount fits most 2-post headrest configurations and can be mounted to either the driver's or passenger's side seat. The Slim-Grip tablet holder features a spring-loaded design that makes it easy to insert or remove the tablet by pushing down on the lower legs of the holder with one hand. Included with the holder are 10 support legs (4 short, 2 medium and 4 long versions). Choose the 4 legs that provide the best fit for your tablet. These insert at the top and bottom of the holder and can be easily adjusted in order to keep any side buttons and ports unobstructed. For most large tablets, the best mount holder configuration is to attach 2 short support legs on top and the 2 long support legs on the bottom of the holder. For smaller tablets, use all 4 short support legs on the holder. For larger tablets including iPad Pro, use all 4 long legs. For vertical viewing, adjust the 360-degree swivel.
