

## TABRM079

Arkon Sticky Suction Tablet Mount for Apple iPad Air 2 iPad Pro iPad 4 3 Galaxy Tablets Retail Black

### DESCRIPTION:

The TABRM079 heavy-duty sticky suction windshield or dash tablet mount is part of Arkon's Robust Mount Series. It holds large tablets having 7"-18.4" screen size, including Apple iPad Pro, iPad Air 2 and iPad Air, iPad 4, 3, and 2, Samsung Galaxy View, Galaxy Note 10.1, Galaxy Note Pro 12.2, Galaxy Tab 4 10.1, Galaxy Tab Pro 10.1 and 12.2, Galaxy Tab S 10.5, Google Pixel C, Nexus 10 and Nexus 9, and LG G Pad 10.1. This mount includes a heavy-duty sticky suction mounting pedestal and the Slim-Grip Universal Tablet Holder. The mount is ideal for car dashboards, windshields, and other flat or slightly textured surfaces. The Slim-Grip tablet holder fits tablets 7 to 18.4 inches in screen size. The holder features a spring-loaded design that makes it easy to insert or remove the tablet by pushing down on the lower legs of the holder with one hand. Included with the holder are 10 support legs (4 short, 2 medium and 4 long versions). Choose the 4 legs that provide the best fit for your tablet. These insert at the top and bottom of the holder and can be easily adjusted in order to keep any side buttons and ports unobstructed. For most large tablets, the best mount holder configuration is to attach 2 short support legs on top and the 2 long support legs on the bottom of the holder. For smaller tablets, use all 4 short support legs on the holder. For larger tablets including iPad Pro, use all 4 long legs. For vertical viewing, adjust the 360-degree swivel. The tough, low vibration pedestal measures approximately 6.5 inches high from the bottom of the mount base to the top of the mount pedestal (not including holder). The 80mm sticky suction base works well in all climates by using a powerful combination of polyurethane gel and suction to provide a maximum surface bond. In order to prevent permanent indentation marks on soft vinyl, leather, or similar dash surfaces, Arkon recommends using the included 3M adhesive dash mounting disk.

### FEATURES:

- Slim Grip Holder fits tablets 7 to 18.4 inches in screen size
- Support legs are customizable and adjustable
- Sticky suction base performs well in all climates
- Adjustable leg design keeps side buttons and ports free
- 2 year limited warranty
