## **FUEL FILTER & FUEL / EVAP LINE PLIERS**

For use on VW/Audi & Mercedes M-Class (1998–2005)

Used for the removal of the connection on the in-line filter.  
Required when replacing the fuel filter or during engine repair.

Removal of Fuel / Evap Line:  
Squeeze the release tab & pull  
the connector backward using  
the pliers. **Caution:** Line may  
be under pressure.
