

*Automotive Tools & Equipment  
for the Professional Technician*

**ATD-8604**

## **Tru-Grip Serpentine Belt Tool**

### Features:

- Clamping jaw allows user to position the belt without the belt slipping out of the tool
- Tru-Grip and long reach allows belt routing in tight access areas
- Body made of lightweight, alloy steel for durability and strength
- Ergonomic handle provides comfort and ease in use, acting as an extension of the user's hand
