

E-Z Spin Engine Stand

Made in
the USA

Features & Specs

- Mounts easily on the E-Z Spin Auto Rotisserie
- Full 360 degree angle capability
- 12 Multi-Angle Positioning Stops at 30 degree intervals

The Engine Stand attaches to a Base Stand Assembly to hold virtually any engine out there. The 4 arms are independently adjustable for virtually any bolt hole configurations. Takes advantage of all of the features our E-Z Spin system.
