Installation Tips

Before you begin installing this assembly, read all instructions thoroughly.

This Lock Box is designed to be used on the model vehicles described above. Use of this Lock Box in any other vehicles or failure to install this Lock Box properly may result in an improperly mounted seat and could result in unexpected movement of the seat and loss of control of the vehicle, thereby placing the occupants of the vehicle and others in a potentially dangerous situation.

 **WARNING** Ensure this Lock Box is securely shut and locked before operating the vehicle. Failure to do so could result in the drawer opening creating a potentially hazardous driving situation.

WEAR SEAT BELTS AT ALL TIMES

Read and follow, precisely, all installation instructions provided when installing product. Failure to do so may result in a poor fit and could place occupants of the vehicle in a potentially dangerous situation.
