

# Bosch Workshop Oil Filters

## Bosch Workshop Oil Filters

Bosch offers installers a line of Workshop spin-on and cartridge oil filters designed specifically for the traditional market. Workshop Oil Filters have OE fit to assure quality performance for the installer, and to better serve customer needs.

Bosch Workshop Oil Filters provide 98% coverage for domestic, Asian, and European vehicles with approximately 100 SKUs, making Bosch the single supplier you and your customer can trust.

With an efficiency of 97.5%\* and the ability to hold 13 grams\* of contaminants, Bosch Workshop Oil Filters provide strong engine protection and performance.

Competitively priced, Bosch Workshop Oil Filters protect engines by keeping harmful particles and dirt out. They also prevent premature wear and engine failure while maintaining a high performance, prolonging the life of your customers' engine, avoiding costly returns.

## Features

- 1 **Long lasting** synthetic rubber gasket seal
- 2 **Synthetic rubber** anti-drainback valve to avoid dry starts
- 3 **Pressure relief valve** prevents oil restrictions and provides proper oil flow
- 4 **Spiral-wound** metal center tube
- 5 **High efficiency and high capacity** cellulose media

| Features  | Benefits   |
|---|--|
| <b>97.5% efficiency*</b>                        | Screens up to 97.5% of harmful contaminants such as dirt and oil from getting into the engine, leading to stronger engine performance.   |
| <b>Holds up to 13 grams of dirt*</b>            | Capable of holding up to 13 grams of dirt and contaminants, keeping the engine protected.  |
| <b>98% vehicle coverage</b>                     | Coverage for domestic, European and Asian vehicles in operation throughout North America making this filter line compatible with most vehicles on the road today.                    |
| <b>Competitive pricing from a trusted brand</b> | A filter line backed by the reliability and efficiency of the Bosch brand allows installers to provide customers with top-quality products from a trusted brand in automotive parts. |
