5 Reasons CARDONE Reman Complete Axle Assemblies Save Time & Increase Satisfaction

1. Bolt-on Ready

No need for a repair specialist or a lengthy, complicated rebuild. CARDONE's full assemblies are available in open or limited slip differentials and various ratios. All units are 100% pressure and load tested and come pre-filled with oil.

Average axle rebuild time: **6-10 hours**
CARDONE axle installation time: **2 hours!**

2. Premium Appearance

Housing is powder-coated black for maximum corrosion protection and a sleek, pristine appearance.

3. Emergency Brakes

Every unit that needs an emergency brake comes with one pre-installed.

4. Premium Packaging

Each unit is carefully packed and secured in a durable, molded container to ensure your axle arrives in perfect condition.

5. No-Hassle Delivery & Core Return Process

We will handle all delivery and core pick up logistics to and from your shop - **FREE OF CHARGE!**

Save 1-2 hours extra!

No need to remove and reinstall a new e-brake! CARDONE exclusive pre-installed e-brakes take "bolt-on ready" to the next level!
