RESTYLING ACCESSORIES

Restyling accessories provide automotive dealers an effective way to differentiate both new and used vehicles from existing inventory and competitors, increasing brand awareness, demand and sales. All restyling accessories are designed and manufactured to overlay the OEM part giving the appearance and feel of factory chrome. With over 700 part numbers and vehicle application combinations available, upgrading a vehicle's trim level appearance has never been easier. Additional restyling accessories and applications not shown within this catalog are also available. Please contact your sales representative for more information. All parts are supported by a limited lifetime warranty.

WHEEL COVERS

Restyle, refresh or upgrade a base trim level vehicle with our quality factory replacement wheel covers. These covers emulate factory styling and are available in different finishes and retention styles. In addition, we have a complementary line of factory replacement center caps and trim rings for both today's vehicles and the vintage restoration market. Our high quality wheel covers, center caps and trim rings are designed and manufactured for fitment, quality and styling.

- Largest selection of direct factory replacement wheel covers
- Designed and manufactured for quality fitment and finish
- Constructed of durable automotive-grade ABS
