## Dash Panel & Gauge Application Guide

# INTRODUCTION

Configuring a new dashboard installation can be a daunting task, given all the available options from Classic Dash. By way of example, we're dealing with three panel finishes, typically 15-18 gauge styles, and a host of accessories.

We've prepared this Application Guide to help simplify the process.

Next on the Guide is a description of what the package contains, followed by a list of available gauge options (some panels can accommodate either 3-3/8" or 5" diameter speedometer and tachometer, as well as 2-5/8" or 2-1/16" gauges).

Classic Dash has developed some other special wiring kits, including one for use when a late model LS motor is installed in an early Chevy.

GPS speedometers are becoming increasingly popular, and Classic Dash has developed a special kit that ensures that a quality satellite signal will be transmitted to the GPS.

Greg Wambold, President

AM = Auto Meter

### COMPLETE PACKAGE COMES WITH...

- 5" Speedometer
  - 5" Tachometer
  - 2-1/16" Fuel Level Gauge
  - 2-1/16" Oil Pressure Gauge
  - 2-1/16" Water Temp. Gauge
  - 2-1/16" Volt Gauge
- Gauge size options:** 6-gauge panel with 3-3/8" and 2-1/16" gauges  
6-gauge panel with 5" and 2-5/8" gauges
- Control options:** N/A
- Vent options:** Available with or without vents
- Wiring options:**  Gauge wiring harness\*  
 Turning Signal, High Beam & Parking Brake Indicator (LED) Kit\*

\*Auto Meter electric gauge packages come with a wiring harness plus water temp and oil pressure sending units. However you must purchase a speedometer sending unit to match your transmission or a GPS receiver.  
Mechanical gauge packages do not come with a wiring harness.

### Applicable Accessories:

- GPS speedometer interface module
- Mechanical speedometer cable adapter
- Speed sensor pigtail GM 4LE60/4LE80
- Speed sensor pigtail GM 700R/4
- Gauge wiring harness w/LED kit
- Speedometer adapter for mechanical gauges
- Power Plus 20 series wiring kit
- LS engine tach wire harness
- LS plug and play tach adapter and harness
- LS motor installation kit
- LED and terminal kit
- Tach adapter
- LED gauge light dimmer switch

Steering column undercover is INCLUDED with purchase of dash panel.

### COMPLETE PACKAGE COMES WITH...

- 3-3/8" Speedometer
  - 3-3/8" Tachometer
  - 2-1/16" Fuel Level Gauge
  - 2-1/16" Oil Pressure Gauge
  - 2-1/16" Water Temp. Gauge
  - 2-1/16" Volt Gauge
- Gauge size options:** 2-gauge dash panel with 3-3/8" or 5" gauges  
Center dash gauge panel with 2-5/8" or 2-1/16" gauges  
'68-'69 Camaro center console quad pod with gauges
- Control options:** N/A
- Wiring options:**  Gauge wiring harness\*  
 Turning Signal, High Beam & Parking Brake Indicator (LED) Kit\*

\*Auto Meter electric gauge packages come with a wiring harness plus water temp and oil pressure sending units. However you must purchase a speedometer sending unit to match your transmission or a GPS receiver. Mechanical gauge packages do not come with a wiring harness. Concourse packages come with oil pressure and water temp sending units only—no wiring harness or LED lights (must be purchased separately).

### Applicable Accessories:

- GPS speedometer interface module
- Electric speedometer sending unit
- Black steering column undercover
- Brushed aluminum steering column cover
- Carbon fiber steering column cover
- Brushed aluminum door sill plates
- Carbon fiber door sill plates
- Speedometer adapter for mechanical gauges
- Gauge wiring harness w/LED kit
- Power Plus 20 series wiring kit
- LS engine tach wire harness
- LS plug and play tach adapter and harness
- LS motor installation kit
- LED and terminal kit
- Tach adapter
- LED gauge light dimmer switch

### COMPLETE PACKAGE COMES WITH...

- 3-3/8" Speedometer
  - 3-3/8" Tachometer
  - 2-1/16" Fuel Level Gauge
  - 2-1/16" Oil Pressure Gauge
  - 2-1/16" Water Temp. Gauge
  - 2-1/16" Volt Gauge
- Gauge size options:** 6-gauge panel with 5" gauges
- Control options:** N/A
- Vent options:** Available with or without Astro vents
- Wiring options:**
- Gauge wiring harness\*
  - Turning Signal, High Beam & Parking Brake Indicator (LED) Kit\*

\*Auto Meter electric gauge packages come with a wiring harness plus water temp and oil pressure sending units. However you must purchase a speedometer sending unit to match your transmission or a GPS receiver. Mechanical gauge packages do not come with a wiring harness. Concourse packages come with oil pressure and water temp sending units only—no wiring harness or LED lights (must be purchased separately).

### Applicable Accessories:

- GPS speedometer interface module
- Electric speedometer sending unit
- Speed sensor pigtail GM 4LE60/4LE80
- Speed sensor pigtail GM 700R/4
- Matte black steering undercover
- Brushed aluminum steering undercover
- Carbon fiber steering undercover
- Gauge wiring harness w/LED kit
- Speedometer adapter for mechanical gauges
- Classic Update series wiring kit
- LS engine tach wire harness
- LS plug and play tach adapter and harness
- LS motor installation kit
- LED and terminal kit
- Tach adapter
- LED gauge light dimmer switch

Steering column undercover INCLUDED with purchase of dash.

AM = Auto Meter TR = Thunder Road Concourse Series

### COMPLETE PACKAGE COMES WITH...

- 3-3/8" Speedometer
  - 3-3/8" Tachometer
  - 2-1/16" Fuel Level Gauge
  - 2-1/16" Oil Pressure Gauge
  - 2-1/16" Water Temp. Gauge
  - 2-1/16" Volt Gauge
- Gauge size options:** 1968-74 Nova center console pod with gauges
- Control options:** N/A
- Wiring options:**
- Gauge wiring harness\*
  - Turning Signal, High Beam & Parking Brake Indicator (LED) Kit\*

\*Auto Meter electric gauge packages come with a wiring harness plus water temp and oil pressure sending units. However you must purchase a speedometer sending unit to match your transmission or a GPS receiver. Mechanical gauge packages do not come with a wiring harness. Concourse packages come with oil pressure and water temp sending units only—no wiring harness or LED lights (must be purchased separately).

### Applicable Accessories:

- GPS speedometer interface module
- Electric speedometer sending unit
- Speed sensor pigtail GM 4LE60/4LE80
- Gauge wiring harness w/LED kit
- Speedometer adapter for mechanical gauges
- Classic Update series wiring kit
- Power Plus 20 series wiring kit
- LS engine tach wire harness
- LS plug and play tach adapter and harness
- LS motor installation kit
- LED and terminal kit
- Tach adapter
- LED gauge light dimmer switch

Steering column undercovers are INCLUDED with purchase of dash panel.

# CLASSIC DASH APPLICATION GUIDE

Multiple gauge sizes are offered for this application.

  - Turning Signal, High Beam & Parking Brake Indicator (LED) Kit\*

\*Auto Meter electric gauge packages come with a wiring harness plus water temp and oil pressure sending units. However you must purchase a speedometer sending unit to match your transmission or a GPS receiver. Mechanical gauge packages do not come with a wiring harness. Concourse packages come with oil pressure and water temp sending units only—no wiring harness or LED lights (must be purchased separately).

### Applicable Accessories:

- GPS speedometer interface module
- Electric speedometer sending unit
- Gauge wiring harness w/LED kit
- Speedometer cable adapter
- Power Plus 20 series wiring kit
- Speed sensor pigtail T56
- LED and terminal kit
- LED gauge light dimmer switch

\*Auto Meter electric gauge packages come with a wiring harness plus water temp and oil pressure sending units. However you must purchase a speedometer sending unit to match your transmission or a GPS receiver. Mechanical gauge packages do not come with a wiring harness. Concourse packages come with oil pressure and water temp sending units only—no wiring harness or LED lights (must be purchased separately).

### Applicable Accessories:

- GPS speedometer interface module
- Electric speedometer sending unit
- Gauge wiring harness w/LED kit
- Speed sensor pigtail GM 4LE60/4LE80
- Speedometer adapter for mechanical gauges
- Classic Update series wiring kit
- Power Plus 20 series wiring kit
- LS engine tach wire harness
- LS plug and play tach adapter and harness
- LS motor installation kit
- LED and terminal kit
- Tach adapter
- LED gauge light dimmer switch

or classic black

Chevy, Ford, Mopar & more—car and truck parts

# Classic Dash

## Classic Thunder Road panels:

- Lightweight, exceedingly rigid, and impregnated with a UV inhibitor that protects panels from sun damage.
- Available in carbon fiber, brushed aluminum, and classic black finishes, with or without gauges.
- Complete kits include your choice of Auto Meter® or Thunder Road gauges—choose from several different styles!

Electronic gauge kits include wiring harness from gauges to factory loom. Water and oil sending units included. Assembly required with all complete kits.
