# ABOUT DENSO

## An OE Heritage

DENSO is one of the world's largest automotive component suppliers with over \$40.2 billion in annual sales. We supply every major auto manufacturer in the world, providing them with the quality and innovation they need to remain on the leading edge of automotive technology. In addition to our automotive customers, we also supply components to virtually all OE manufacturers worldwide. For decades we have helped all of our customers to become giants in their industries.

## Unsurpassed Quality

At DENSO we know that one of the major keys to success for our company and our customers is an unwavering commitment to quality. We strive for, and achieve, zero defects for parts manufactured in the millions in DENSO facilities that are ISO9000 and ISO14000 certified. This dedication to quality is clearly recognized by the industry as DENSO has received such prestigious awards as the Deming Award for Quality, the J.D. Power and Associates Chairman's Award and numerous supplier awards for quality from companies like Toyota, Lexus, General Motors and Chrysler.

## Bringing It All To The Aftermarket

In the 1980s, DENSO became the first to mass-produce the platinum spark plug and offer it in the aftermarket. A decade later we introduced the world's most advanced spark plug, Iridium Power®, which revolutionized the concept of the aftermarket performance plug. By the late 1990s, the world watched with great interest as DENSO unveiled a line of OE-standard premium replacement components under the First Time Fit® brand. Today, the First Time Fit line of products includes A/C compressors, cabin air filters, condensers, evaporators, radiators, receiver driers, expansion devices, starters, alternators, oxygen sensors, fuel pumps, oil and air filters, ignition wire sets, tire pressure monitoring system sensors, engine management sensors and wiper blades.

**DENSO is one of the world's largest automotive component suppliers with over \$40.2 billion in annual sales.**

## Better By Design

As you can see, we've spent decades perfecting our craft — a claim few automotive component manufacturers can make. Clearly the DENSO commitment to quality, innovation, and advanced technology is the reason our automotive and heavy-duty components truly are better by design.

# LIMITED WARRANTY POLICY

## **For First Time Fit® Replacement Light Duty Automotive Products**

DENSO Products and Services Americas, Inc. ("DENSO") warrants to the end user that the DENSO First Time Fit® brand automotive products contained in this catalog and identified below, shall be free of defects in materials and workmanship and will function in accordance with DENSO's published specifications, under ordinary intended use and service, for a period of twelve (12) months, unlimited miles, after delivery to the end-user. DENSO shall replace any defective Product covered by this warranty. Such remedy shall be the end-user's sole remedy with respect to any covered defect in the Products.

This warranty does not cover defects or malfunctions, which result from causes beyond DENSO's control, including, without limitation, (i) unusual physical or electrical stress; (ii) accident, neglect, abuse, misuse or other abnormal use; (iii) failure to perform routine maintenance in accordance with specific vehicle manufacturer's recommended procedures; (iv) normal wear and tear; (v) Product repairs or attempted Product repairs by an unauthorized person; (vi) alterations or modifications to the Product; (vii) improper installation or servicing, (viii) applications for which the product was not intended, (ix) defects or malfunctions caused by other vehicle components or, (x) defects or malfunctions caused by the vehicle itself. This warranty shall extend only to the original end-user and shall be void if any labels or other identifying marks, permanently affixed to Products when shipped from DENSO, are removed, altered, defaced or obliterated.

The aforesaid warranty is the only warranty made by DENSO with respect to the Products and is in lieu of all obligations or liabilities on the part of DENSO for damages arising out of or in connection with the sale, use or performance of the Products, including, without limitation, any lost profits or any other consequential, incidental, special or exemplary damages of any kind. DENSO DISCLAIMS ALL OTHER WARRANTIES WITH REGARD TO THE PRODUCTS, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR USE. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION CONTAINED HEREIN.

This warranty does not cover labor costs incurred in the diagnosis of defect or in the removal or reinstallation of any product, nor does it cover any other contingent expenses such as car rental or towing. A dated proof of purchase receipt may be required to validate any warranty claim. This warranty supersedes any other warranty statement and may also give you specific legal rights which may vary from state to state.

### **THE WARRANTABLE PRODUCTS IN THIS CATALOG ARE:**

- Tire Pressure Monitoring System Sensors (TPMS)

# TIRE PRESSURE MONITORING SYSTEM (TPMS) SENSORS

## Expanded DENSO TPMS Sensor Program: Still Functions, Fits and Relearns Just Like OE

When a Tire Pressure Monitoring System (TPMS) sensor fails, replace it easily with a DENSO First Time Fit® TPMS sensor.

DENSO TPMS sensors are pre-programmed and built specifically to fit your vehicle. Our sensors relearn just like an OE part, restoring the vehicle to its original condition.

### Features & Benefits:

- Pre-Programmed, just like the OE part
- OE TPMS System Features and Relearn
- OE Quality and Battery Life

## Competitively Priced All Makes Application Coverage:

- 17 Japanese and 36 Domestic and 14 NEW European part numbers covering 77% of the market
- Covers more than 50 vehicle makes, 550 models and 3,200 Japanese, Domestic and European model year applications
- Service kits and components to maintain OE and DENSO's First Time Fit TPMS sensors

## The DENSO Difference:

- First Time Fit philosophy
- OE Technology adapted for the aftermarket
- Brand name synonymous with quality
