

DR_x Beasley's™

Your Detailing Prescription

1. Rinse surface thoroughly.
2. Shake well and spray directly on the area.
3. Use a sponge to remove stubborn spots.

* Do not apply to hot or newly painted surfaces.*

Do **not** let dry on surface.

For maximum results after use, wash the car with Foaming Body Wash to ensure that all residues are gone. Follow with Bug Barrier for lasting protection.

Before applying, test a small amount in an inconspicuous place to check compatibility with surface.
