

# DR<sub>x</sub> Beasley's™

---

*Your Detailing Prescription*

## Instructions

1. Shake well.
2. Spray directly from bottom up to prevent drip marks.
3. Clean immediately with brush or sponge.
4. Rinse with water.

## **Additional Tips**

For excessively dirty wheels, agitate surface with a sponge or soft cloth before rinsing.

For maximum results, follow with our Exterior pH Neutralizer, then protect with Wheel Seal.

Before applying, test a small amount in an inconspicuous place to check compatibility with surface
