

## Hurst® Product Warranty Details

**Lifetime Limited Warranty** applies to all Hurst shifters, exhaust kits, wheels and suspension kits (springs, sway bars, etc.).

**One Year Limited Warranty** applies to all Hurst shifter related accessories (knobs, handles, etc.), and other non-shifter related accessories (floor mats, decal kits, etc.).

**90 Day Limited Warranty** applies to Hurst Roll Control kits and all electrical components (switches, lights, solenoids).

Hurst Performance (“Hurst”) extends the following limited warranty to the original purchaser of its shifters, exhaust kits, wheels, suspension kits, components and accessories (hereafter “products”).

Hurst warrants the products mentioned above against defects in materials and workmanship for the period set forth below, when they are owned by the original purchaser and remain installed on the vehicle on which they were originally installed. This warranty is void if the product was not installed properly on the vehicle, was installed on a vehicle for which it was not designed, or was removed from the vehicle on which it was originally installed and reinstalled on another vehicle. This warranty shall not apply to normal wear (bushings, springs, etc.), cosmetic issues such as coatings and material discoloration, or any product that was installed on a racing vehicle (excluding shifters), installed contrary to Hurst instructions, or altered, misused, repaired, damaged from an accident, collision, undercarriage road impact or debris, or willful or negligent act.

The warranty set forth herein for all Hurst shifters, exhaust kits, wheels and suspension kits (springs, sway bars, etc.) extends for a period of the life of the original vehicle the product was installed on. The warranty set forth herein for all Hurst shifter related accessories (knobs, handles, etc.), and other non-shifter related accessories (floor mats, decal kits, etc.), extends for a period of one year from the date of original purchase and the original vehicle it was installed on. The warranty set forth herein for Hurst Roll Control kits and all electrical components (switches, lights, solenoids) extends for a period of 90 days from the date of original purchase and the original vehicle it was installed on.

This warranty is not contingent upon the purchaser’s completion of the Warranty Registration Form found on the Hurst website. If however the purchaser completes and submits that form at the time of purchase, Hurst will keep that form on file which may serve as an aid in determining warranty coverage in the event of the loss of the original purchase receipt.

Hurst’s liability is expressly limited to the replacement of the product or refund of the purchase price as described herein. Hurst shall have no liability for the cost of installation or removal of the defective product, for the cost of labor or any additional parts required to complete the installation of the replacement product, towing or transportation costs, or return shipping costs. In no event shall Hurst be liable for any direct, indirect, special, incidental or consequential losses and/or damages, including but not limited to interruption of business or loss of business or loss of profit or damage to related components resulting from the use of or inability to use the product, or any breach of warranty or any defect in the product, even if Hurst shall have been advised of the possibility of such potential losses or damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights. You may also have other rights which may vary from state to state.

The warranties set forth herein are exclusive and unless otherwise required by applicable law no other warranties are made by Hurst or are authorized to be made with respect to the product.
