

## Warranty

We warrant all our products to be without defects and to function like new or as-original at the time of purchase.

While most manufacturers do not warrant electrical items, we will repair or replace our product in the event of a manufacturing defect for a period of 1 year\* from the date of original purchase, with dated proof of purchase. Our warranty covers normal consumer use, and does not cover damages that occur in shipping, or failure that results from alteration, accident, misuse, abuse, neglect, improper installation, or improper care and maintenance. Under any circumstances, the liability of Lectric Limited or the manufacturer shall be limited to the original cost of the item paid, and the manufacturer shall not be liable for any consequential or incidental damages which may occur as a result of the use or misuse of any of our products. This limit of liability may vary in your state, and you may have additional rights and/or remedies depending on the state in which you live.
