**WATER RESISTANT WITH EXTRA PROTECTION FOR LEATHER:** Our Atomic 600 Denier fabric is made of 3 layers and is tested for indoor and outdoor conditions.

**AIRBAG COMPATIBILITY TESTED:** Form-Fit™ Seat Covers are specially designed and tested to be airbag compatible. They feature an unrestricted flap that allows for the safe deployment of a Side impact Airbag (SIAB).

- **FIRST LAYER** is a Durable Water Repellent (DWR) that forces spills to bead up and off the seat.
- **SECOND LAYER** is a Water Resistant polyurethane undercoat which acts as a safety barrier.
- **THIRD LAYER** is a Soft Laminated white backing which gently protects your factory leather interior.
