120° Viewing Angle
Ultra wide angle

Compact Design

1.3 MP

Provides exceptional image quality with 1.3 mega pixels. Record all details from your drive like street signs and license plates.

2.8MM ADJUSTABLE LENS

Camera hangs from bracket which mounts to headliner and can be adjusted vertically for the best view out the front windshield.

GREAT DASH CAM

With a 120° viewing angle and built-in audio, this camera functions perfectly as a dash camera (when connected to a DVR).
