

TECHNICAL BULLETIN

THE LAST RADIATOR ADAPTOR YOU WILL EVER NEED TO BUY.

Product Information

With SmartFit™, technicians have a single test kit that expands to fit 100% of passenger vehicles and light-duty trucks on the road today, eliminating the need for the hundreds of adaptors necessary to pressure test all vehicles.

Manufactured in the USA, SmartFit™ is a professional grade quality tool constructed of anodized aluminum and solid brass. SmartFit™ elastomeric adaptors are engineered with varying durameter ratings to ensure maximum versatility and performance.

SmartFit™ is available with or without a pressure pump.

SMART FIT™

Professional Grade Quality
Solid Brass • Anodized Aluminum
No additional tools needed
Expands to fit every vehicle

SMART FIT™ Universal Radiator Adaptor Set Features:

- Quickly and easily pressure test cooling systems in all vehicles
- Fits every radiator and / or plastic reservoir
- Works with any pressure pump
- Varying durameter ratings ensure maximum performance and durability
