# ***THE ROMIK RPT-R***

The Romik RPT-R redefines what a running board should be: strong, reliable, and built with innovation in every detail. Its heavy-duty steel core and protective finish stand up to the toughest conditions, while the 6-inch step delivers stability you can count on. With adjustable brackets for a custom fit and precision styling that sets it apart, the RPT-R is where durability meets modern design. Backed by a 10-year warranty, it's the smart upgrade for drivers who demand more.

- Material: HD Steel Construction
- Finish: Protective Bed Liner Coating
- Width: 6" Wide
- Adjustable height brackets (Most Models)
- Contoured End Caps
- 10-year Warranty

***AVAILABLE FOR ALL TRUCKS  
FOREIGN AND DOMESTIC***

**Built to perform, RPT-R running boards combine heavy-duty durability with modern design.**
