

Features

MagicMount *Fresche*

Add some scent to your vent with this dual-purpose mount that securely holds your phone and freshens the air in your car. The open design allows free airflow from your car vent and releases fragrance from the replaceable cartridge.

Pick *Your* Fresche Scent

- Our sense of smell is the most evocative of the five senses and the right scent can improve your mood and that of your passengers
- Pick from the fragrance selection shown below
- Fresche air freshener cartridges are universal and fit all Scosche Fresche mounts

When it comes to quality car mounts & chargers, Scosche is the brand you can depend on.
