

Cable Ties
Correas para Cables

Model: CTB-L79 (Black+Yellow)

Marketing Description:

Are you tripping over wires, or do you have unsightly cords dangling at home or in the office?

miLink cable velcro ties provide the ideal solution for cord and wire management. The one-wrap thin ties are self-locking and pre-cut, making them easy to wrap around and securely fasten together bundles or wires.

Easy to use, the slotted head wraps the tie around for a secure and tight hold.

These all-purpose bundling ties can be used indoors or outdoors.

So, secure dangling computer wires containing unraveling extension cords and corralling a garden hose take up unnecessary garage space with the miLink one-wrap cable ties and Get Organized Fast.
