Audio Streaming

Audio streaming [A2DP] is an audio protocol of Bluetooth technology. This profile allows for audio to be streamed wirelessly from your compatible device, such as a Smartphone, to the source unit so you can enjoy your favorite music or streaming music service such as Pandora or Spotify, wirelessly.

Aux Input

The Aux Input allows you to connect to the audio output of an external device such as an MP3 Player or Smartphone so you can enjoy your music through your system.

Bluetooth

Allows our Bluetooth equipped source units to make wireless hands-free calls when paired with a Bluetooth equipped Smartphone. Communicate via the built in microphone on most of our units [or external microphone if provided] and listen thru your car's speakers.

Built-in Preset EQ

The built-in, Preset EQ allows you to chose from preset EQ curves for a variety of music styles such as Rock or POP.

No CD Mechanism

Our units without a CD mechanism are ideal for people that take their music with them digitally. These units can play digital media files directly from SD Cards, USB Flash drives, and connect with external devices such as your Smartphone thru the Aux input or via Audio Streaming [on units with Audio Streaming built-in].

Pre-Amp Output

This units Pre-Amp outputs let you expand your system by adding one amp or signal processor.

SD Memory Card Port

The SD Memory Card port will support a full size SD memory card to 32 GB and can be used for music playback as well as photo and video viewing (on source units equipped with a monitor). Most units support full size SD cards but there are a few that only accept micro SD cards.

USB Playback

The USB port will support a USB flash drive up to 32 GB and can be used for music playback as well as photo and video viewing (on source units equipped with a monitor). Some units have a mini USB input but come with the adapter to convert to be able to play full size USB drives.

Wireless Remote Control

A wireless remote control gives you commanding access to the key functions of your unit from the palm of your hand.
