

HUB CAPS

Tectran's expanded line up of hub caps includes both 6 hole and Propar Spin-on style hub caps.

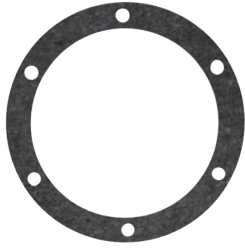

- Durable, high quality cast aluminum housing prevents warping and disperses heat
- 6-Hole hub caps include fill plug, side plug, and (6) 5/16" bolts
- Propar style hub caps include fill plug, side plug, and O-Rings
- Clear Polycarbonate oil sight window with level markings
- Vented center fill plug
- Impact resistant
