

Vanguard off-road products
2018 - 2019 Catalog

About Us

Auto-Beauty is a New York Corporation, established in Queens, NY in 2002. The company strives to meet the needs of any trucks, SUVs markets throughout North America by manufacturing, distributing, retailing, and installing high value products and services in a timely fashion and at a fair price.

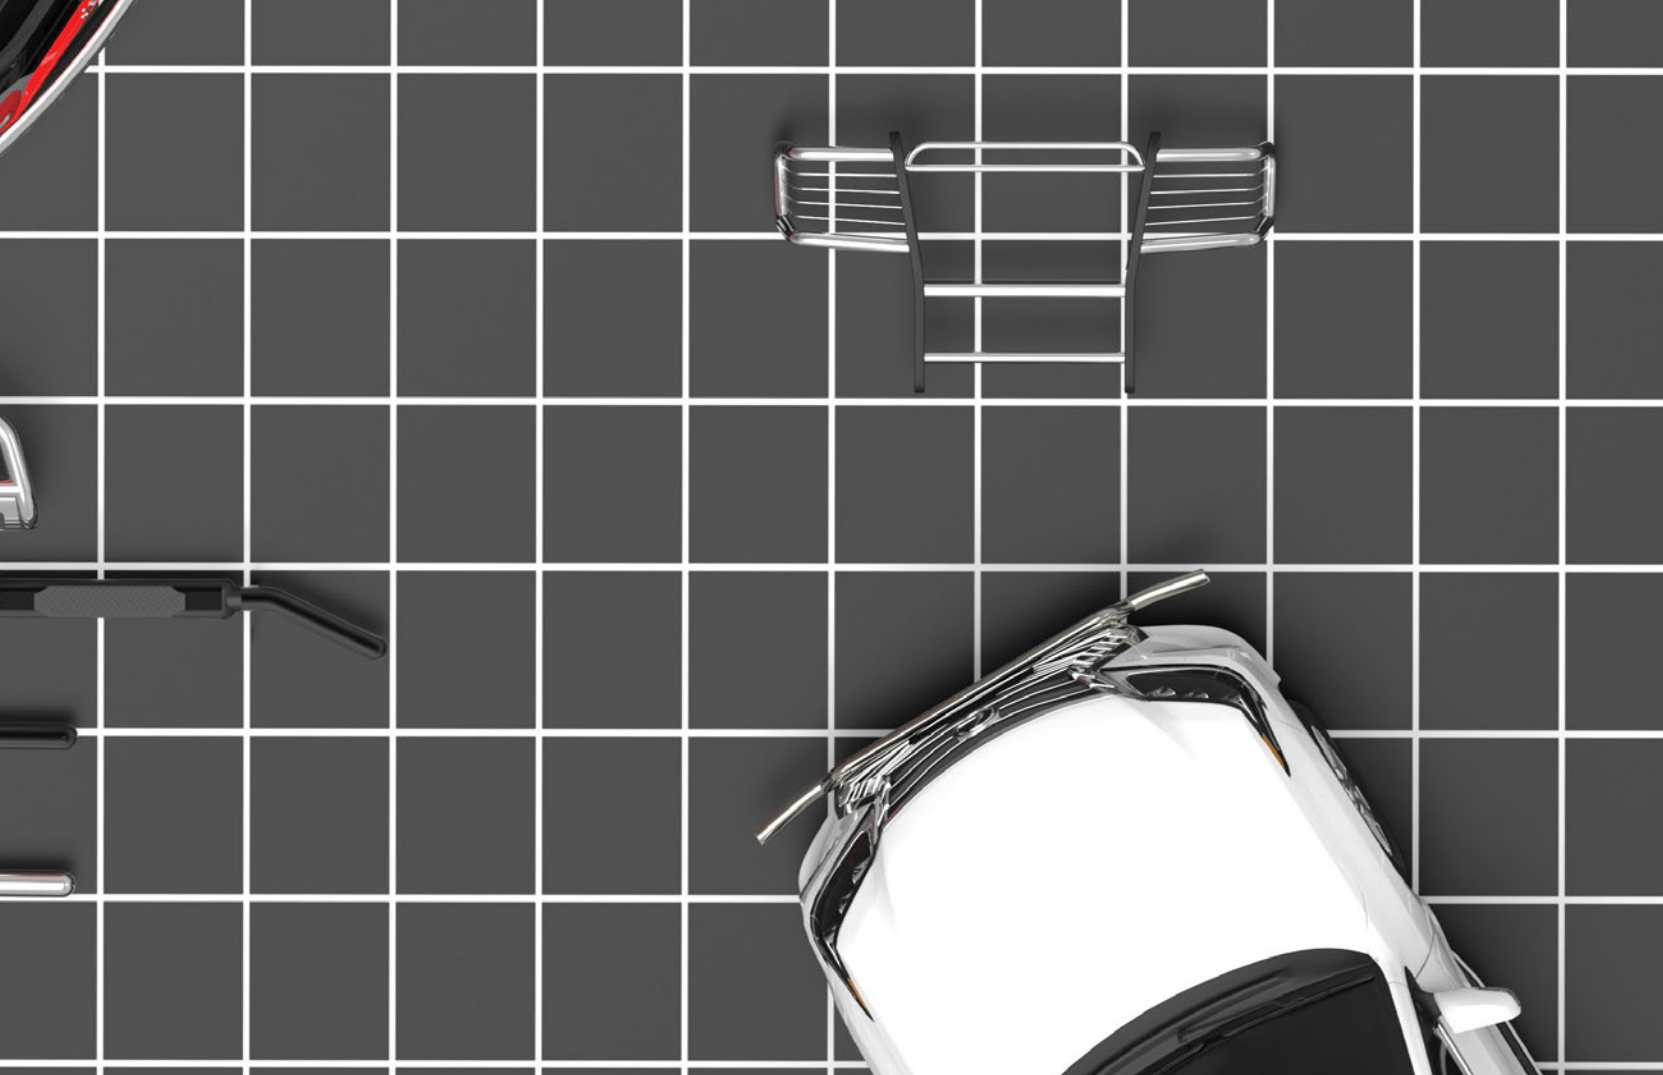

The Auto-Beauty entire operation is built on a strong belief in innovation, quality, and customer service. All Auto-Beauty products using 304 standing steel material, and other manufacturing techniques developed over the years to provide you with products of outstanding quality.

Auto-Beauty, Inc specializes in Vanguard® Off-Road products for trucks, SUVs, and vans! All Vanguard® bumper guards are made up of top quality T304-grade stainless steel or black powder coated steel. All Vanguard® running boards are made up of top quality aluminum.

New Items

1

Low Runner Bumper Guard

- Available in T-304 marine grade stainless steel
- Maximum bumper protection against parking bumps
- Elegant slim design without overcoming the original vehicle's look
- Special shape and size to avoid interfering with the vehicle's factory park assist sensors.

2

High Runner Bumper Guard

- Available in T-304 marine grade stainless steel
- Maximum protection against front damages to the bumper
- Special slim design to curve with the vehicle's body without interfering with the vehicle's factory park assist sensors

3

Front Low Bull Bar with Skid Plate

- Available in T-304 marine grade stainless steel
- Retaining the vehicle's original luxury look, the low design bull bar with skid plate delivers the protection you need while parking everyday on the busy streets
- Will not interfere with the factory park assist sensors

4

Front Double Layer Runner

- Available in T-304 marine grade stainless steel
- Maximum protection against front damages to the bumper
- Double layer design originated from the rear of the vehicle now available for the front for better protection
