

WeatherTech[®]

MICROFIBER TECHCARE[™] ACCESSORIES

INSTRUCTIONS: *Wet it, Wring it - Just moisten the towel with water and it is ready to use, can also be used dry. For best results, wash all new towels once before using.*

TO CLEAN TOWEL: *Wash with warm soapy water and rinse well. Microfiber is machine washer and dryer safe. We recommend you **DO NOT MIX** towels used for Waxing & Glass Cleaning when washing/drying, and **DO NOT** use fabric softener.*

Check out the collection of auto detailing and care we offer.
